

3M

Founded in 1902 in St Paul Minnesota USA, 3M is today present in more than 60 countries worldwide, with a turnover of more than \$20 billion.

3M employs 75,000 people worldwide to deliver more than 55,000 products to customers in some 200 countries. These products touch nearly every aspect of modern life serving markets such as consumer and office, display and graphics, electronics and communications, safety, security and protection services, healthcare, industrial and transportation.

3M UK & Ireland

The UK & Ireland is home to one of the largest 3M subsidiaries outside the USA, employing 3,650 people across 15 locations including 10 manufacturing sites. Products manufactured in the UK include coated abrasives, respirators and adhesive tapes.

3M Automotive Aftermarket

From its earliest days, when it invented the first practical sanding abrasives, 3M has pioneered a succession of technologies which today enable the professional repairer to undertake every aspect of refinishing with the complete trust and confidence that is synonymous with 3M brands.

Today 3M brands such as WatorDry™, Hook-it™, Stikit™, Cubitron™, Scotch™, Scotch-Brite™, Roloc™, Perfect-It™ and many more are trusted by thousands of bodyshops to work faster, last longer and eliminate re-working.

3M pioneers new and effective responses to the increasing demands of modern paint systems and repair techniques. Innovations such as Award winning Trizact™ Fine Finishing Abrasives and the revolutionary 3M Paint Preparation System endorse 3M's constant drive to introduce productive solutions in every phase of refinishing.

3M's extensive aftermarket range, over 600 items in all are backed by technical support and advice, productivity and profitability training as well as occupational health advice.

Hookit Abrasive Discs

3M Hookit Abrasives are a range of high performance discs and sheets. Each product incorporates the Hookit fixing system which, when used in conjunction with a Hookit back-up pad, means it can be attached and reattached as many times as necessary.

3M Hookit Abrasive Discs 15 Hole 255P+ LD 861A

An advanced version of 255P this disc is stronger and more durable, delivering a consistently better cut and reduced loading whilst it's 15 hole configuration provides improved dust extraction.

Available in a range of grades from P80 to P600 applications include paint removal, filler flattening & primer sanding

Hookit Abrasive Back-up Pads

3M Hookit Back-up Pads

A comprehensive range of soft and standard pads available in 5/16in and M8 threads. Compatible with 6, 7, 9 and 15 hole disc configurations, the direct flow and "4 in line" holes design provides superior extraction and eases the alignment process.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
50392	Back-up Pad	150mm universal	5/16 Standard	1	£33.45
50391			5/16 Soft		£33.45
50394			M8 Standard		£33.45
50393			M8 Soft		£33.45
50540		150mm multihole	5/16 Standard		£33.45
50541			5/16 Soft		£33.45
50542			M8 Standard		£33.45
50543			M8 Soft		£33.45

3M Hookit Disc Pad

The pad face securely holds discs in place yet allows for easy change and re-attachment. With a tough durable foam body for long pad life, this pad also has a tapered edge to ease sanding on contoured surfaces.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
09538	Disc Pad	203mm	14mm thread	1	£36.79

3M Hookit Disc Dispenser

Lightweight and easy to carry, the dispenser is a convenient way to store and use Hookit discs & pads

Part No.	Item	Items/Unit	Trade price £
HKTDISP	Disc Dispenser	1	£47.70

Fine Grade Finishing Film

An aluminium oxide disc constructed on a film backing, these discs offer excellent conformability to curved surfaces.

For use in conjunction with Hookit Soft Interface Pads 50396/50397, in 7 and 9 hole configurations, these disc are advanced abrasives for paint rectification applications. Designed for use in scuff sanding before painting, further applications include removal of runs, dust nibs, and excess orange peel from paint and gelcoat prior to compounding.

3M Microfinishing Disc 7 hole 260L LD 601A

Part No.	Item	Size	Grade	Configuration	Items/Unit	Trade price £
50242	Microfinishing Disc 7 hole	150mm	P600	LD 601A	50	£34.98

62011			P1500			£34.98

3M Hookit Soft Interface Pad

Used with a standard Hookit™ Back-Up Pad, conformability is increased, allowing the technician to follow contours and get in closer to most edges.

Constructed of soft durable foam these pads can be used with both dust free and non-dust free discs to improve abrasive cut and finish.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
50544	Soft Interface Pad Multi hole 10mm	150mm	LD 051	10	£4.20
50545	Soft Interface Pad Multi hole 5mm				£4.20
50396	Soft Interface Pad 15 hole 10mm		LD 861A		£4.20
50397	Soft Interface Pad 15 hole 5mm				£4.20
09303	Soft Interface Pad 9 hole		LD 810A		£4.20

3M 9 Micron Abrasive Discs 268L

To ease the removal of small imperfections, such as dust nibs, in both new and original paint finishes. Available as scalloped 17/16" self adhesive, film backed discs that are used in conjunctions with Finesse-it Hand Sanding Pad 50199 or 13441.

Used on-line by most European OEMs
Shape eliminates gouging on contours

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
00127	9 Micron Abrasive Discs	36mm		100	£22.88
50199	9 Micron Abrasive Discs Applicator		Soft	1	£7.14
13441			Hard		£9.04

Hookit II Dust Extraction Abrasive Sheets

3M™ Hookit II abrasives offer a better alternative to conventional hook & loop attachment systems.

The “hooks” are replaced with patented capped stems for secure attachment and easy release. The stems are on the disc side for greater strength, durability and flexibility. Additional benefits include: better finish, longer sheet life and longer back-up pad life.

3M Hookit II Abrasive Sheets 8 Hole 730U LS 404H

Coarse grade, premium laminated sheets with 3M Cubitron mineral for extra cut and durability.

Available in four configurations, these sheets are ideal for filler flattening.

Part No.	Item	Size	Grade	Configuration	Items/Unit	Trade price £
60387	Abrasive Sheets 8 Hole	70mm x 127mm	P40	LS 404H	25	£6.05

09920	Replacement Hose	3m	1	£12.16
09317	Adaptor male			£6.97
09318	Adaptor female			£6.97
09319	Adaptor festo female			£6.97
09316	Hose and Adapter	3m		£12.16

3M Hookit II Base Plate

Attached to orbital sanders, these base plates enable mechanical use of Hookit II dust extraction sheets.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
55041	Base Plate	70mm x 419mm	Rupes SL42A SLP41A	1	£53.19
55040			Rupes SL41A		£80.06
55039			Rupes SSPF		£47.86
80327	Half Sheet Base Plate	115mm x 225mm	RS1,RS2,RS100,RS200		£57.75
80328			RS1C,RS100C		£57.75
80329			LRB-IAS2		£57.75

3M Hookit II Soft Interface Pad

Part No.	Item	Size	Items/Unit	Trade price £
09367	Soft Interface Pad	70mm x 127mm	1	£4.93
09368		70mm x 198mm		£4.93

3M Hookit II Blockboard

Part No.	Item	Size	Items/Unit	Trade price £
51000	Blockboard	75cm x 60cm	1	£128.34

Stikit Abrasive Discs

3M Stikit Abrasives are a range of high performance discs and sheets. The backing of each product is coated with a special pressure sensitive self-adhesive system to ensure that the product remains firmly attached to the 3M Stikit back-up pads.

Available in both plain and dust free formats this fixing system is easy to apply and quick to remove.

3M Stikit Lined Discs 245

This anti loading disc with stiff E-weight paper to extend product life has pressure sensitive adhesive for easy application and removal.

Available in plain or 6 hole configuration for improved dust extraction applications include paint removal, shaping and sanding plastic filler, removal of coarser scratches in body filler and scratch refinement of bare metal.

Part No.	Item	Colour	Size	Grade	Configuration	Items/Unit	Trade price £
00996	Lined Discs	Green	150mm	P40	Plain	50	£19.00

3M Stikit Disc Dispenser

A portable/wall mountable dispenser for 2 rolls of Stikit abrasive discs. Lightweight, easy to carry, with rubber feet, the dispenser is a convenient way to store and use the perforated rolls of discs.

Part No.	Item	Items/Unit	Trade price £
05450	Disc Dispenser	1	£69.54

Stikit Abrasive Back-up Pads

3M Stikit Back-up Pads

Specifically made for use with Stikit abrasive discs: the vinyl face allows for good disc adhesion, and easy disc removal.

The range of pads includes plain and holed to meet the requirements of all systems as well as a choice of soft density pads for use as part of a dry sanding system. Its foam construction and tapered edge offers a high degree of conformability and uniform finish when sanding contours and curves.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £	
05576	Back-up Pads	150mm	Hard	5	£28.05	
05697		150mm 6 Hole			Non-Festo Soft	£28.05
07317					Festo Soft	£28.05
07320						£28.05
05698		203mm Metric Thread			£29.66	
05579		203mm Imperial Thread			£29.66	

Stikit Abrasive Sheets

3M Stikit Abrasive sheets 210

Part No.	Item	Size	Grade	Items/Unit	Trade price £
02180	Abrasive sheets	70mm x 445mm	P40	50	£28.43
02179			P60		£27.32

02197			P120		£26.17

3M Stikit Abrasive Hand Blocks & Files

For use with reusable Stikit abrasives. The blocks and files are lightweight and designed to fit comfortably in the hand.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
05442	Handblock	70mm x 127mm	Soft	1	£10.77
05440			Hard		£10.77
05441	Handfile	70mm x 196mm	Rigid		£12.40
05444		70mm x 390mm			£23.96
05545		Flexible			£23.96

Plain Sheets

3M Fre-Cut Abrasive Sheets 618

3M 'Tri-M-ite' 'Fre-Cut' abrasive paper is intended to be used by hand, often as a dry sanding alternative to 'Wetordry' abrasive paper. The combination of silicon carbide coating and robust paper backing gives an aggressive cut with a fine finish.

Applications include filler flattening, primer sanding and general hand sanding.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
02631	Sheet	230mm x 280mm	P80	50	£23.55
02565			P100		£20.54
02564			P120		£20.54
02563			P150		£20.54
02562			P180		£20.54
02561			P220		£20.54
02560			P240		£20.54
02559			P280		£20.54
02558			P320		£20.54
02556			P400		£20.54
02636			P500		£20.54

3M Fre-Cut Abrasive Sheets 622

Coated in sharp silicon carbide mineral these sheets have a high resistance to loading extended product life and create an aggressive cut for fine finish result.

Applications include paint removal, primer sanding and filler flattening.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
01899	Abrasive Sheets	230mm x 280mm	P360	50	£20.54
01898			P400		£20.54
01897			P500		£20.54

Dry Sanding

3M Production abrasive paper uses an aluminium oxide mineral with a heavy paper backing. Sold in sheets for hand use and in rolls for cutting and attaching to machines.

3M Abrasive Roll 255P

Part No.	Item	Colour	Size	Grade	Configuration	Items/Unit	Trade price £

3M Softback Sanding Sponge

These flexible foam sheets with abrasive coating enables sanding of awkward hard to reach areas. Incorporating a simple colour coded graded system the waterproof foam construction means they can be used either dry or wet for improved dust control, or dry.

Applications include filler finishing, primer sanding, blend preparation and basecoat nibbing.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
03808	Sanding Sponge	115mm x 140mm	Medium	20	£20.60
03809			Fine		£20.60
03810			Superfine		£20.60
02601			Ultrafine		£20.60
02600			Microfine		£20.60

3M Soft Hand Roll Perforated 216U

Coated in durable aluminium oxide this abrasive is a premium product that works best when loading is a problem. The light weight flexible backing makes it suitable for most general purpose sanding applications from filler flattening to primer sanding.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
50331	Soft Hand Roll	Gold	114mm x 25m	P180	1	£35.47
50333				P240		£35.47
50335				P320		£35.47
50337				P400		£35.47
50338				P500		£35.47
50339				P600		£35.47
50340				P800		£35.47

Dry Guide Coat

3M Dry Guide Coat

Ideal for both wet and dry sanding, this revolutionary product for applying a guide coat to the repair area makes the sanding process controllable; helping to ensure a perfect finish. Dry guide coat provides an easy method of identifying surface imperfections such as scratches, unevenness, orange peel and pinholes.

Part No.	Item	Size	Items/Unit	Trade price £
09560	Dry Guide Coat	50g	1	£15.75
09561	Dry Guide Coat Applicator			£5.34

Wet Sanding

3M Wetordry Abrasive Paper 734

Coated in sharp abrasive mineral silicon carbon for a long product life and good surface quality, this product can be used for both wet and dry applications. The light weight water resistant backing provides flexibility and conformability with a wide grit availability to enable an ultra fine finish to be achieved. Applications range from general wet hand to primer sanding.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
01989	Abrasive Paper	230mm x 280mm	P60	25	£25.70
01988			P80		£21.77
01987			P100		£19.51

01971			P1000		£15.64
01970			P1200		£15.64

3M Perfect it-III Microfine Abrasive Paper 314

A general purpose product for use in both wet and dry sanding operations these abrasive sheets are coated in aluminium oxide to give a long working life and consistent finish. With a high quality backing that provides flexibility and conformability ideal applications include primer sanding and paint rectification

Part No.	Item	Size	Grade	Items/Unit	Trade price £
01966	Microfine Abrasive Paper	138mm x 230mm	Fine	50	£23.66
01967			P1200		£16.41
09546			P1500		£26.21
09545			P2000		£26.21

3M Rubber Rubbing Block

Flexible block which holds abrasive sheets securely during wet or dry sanding operations.

Part No.	Item	Items/Unit	Trade price £
05519	Rubber Rubbing Block	6	£6.15

3M Rubber Squeegee

Made of flexible rubber. This squeegee removes excess water and swarf created when sanding with water.

Part No.	Item	Size	Items/Unit	Trade price £
05517	Rubber Squeegee	21/4" x 41/4"	50	£1.24

Fibre Discs

3M Cubitron Fibre Disc 988C

Utilising Cubitron™ aggressive grain these versatile fibre discs cut faster with less pressure. Ideal for light to heavy duty stock removal on carbon and mild steel, applications range from door skin removal to flange and MIG weld grinding.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
60732	Fibre Disc	100mm x 15mm	P24	25	£19.51
60733			P36		£17.97
60734			P50		£17.03
60735			P60		£15.49
60736			P80		£15.49
60739		115mm x 22mm	P24		£25.15

60746		127mm x 22mm	P24		£29.15
60747			P36		£28.54
60748			P50		£25.98
60749			P60		£25.45
60750		178mm x 22mm	P80		£23.91
60753			P24		£50.02
60754			P36		£49.01
60755			P50		£45.60
60756			P60		£43.45
60757		P80	£40.89		

3M Roloc Fibre Disc

Coated with a sharp Cubitron mineral, Roloc Fibre discs are designed for grinding applications where a high metal cut is required. Ideal for small and awkward areas such as door shuts, pinch wheels and wheel arches, they are available in colour coded grades to cover multiple applications.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
11000	Fibre Disc	Black	50mm	P24	50	£21.83
22398		Brown		P36		£21.83
22399		Green		P50		£21.83
22401		Yellow		P80		£21.83
22392		Black	76mm	P24		£27.20
22393		Brown		P36		£27.20
22394		Green		P50		£27.20
22404		Yellow		P80		£27.20

3M Fibre Disc Back up Pad

Designed for high performance grinding. Each pad is shaped to allow the maximum amount of abrasive to be exposed to the work surface and the ribbed face ensures maximum performance.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
07312	Fibre Disc Back up Pad	100mm	10mm thread	5	£20.61

Abrasive Belts

3M Abrasive Belt 571F

Durable and long lasting 3M belts are designed for light to moderate pressure and offhand applications where strength and flexibility are required. Applications include grinding, refining, finishing, sanding and blending.

Part No.	Item	Size	Grade	Configuration	Items/Unit	Trade price £
04958	Abrasive Belt	10mm x 330mm	P40	571F	10	£8.59
04957			P50			£8.47
04956			P60			£8.28
04955			P80			£8.13
04960			P120			£6.43
04963		20mm x 480mm	P40			£20.89
04962			P60			£20.22
04964			P80			£15.81
04983		20mm x 520mm	P40			£21.44
04954			P60			£21.44
04953			P80			£21.04

Scotch-Brite

3M Scotch-Brite Pre-Cut Rolls

Pre-cut, ready to use pads incorporate sharp 3M abrasive for an aggressive cut without increased coarseness. Available in colour coded grades these longer lasting, ultimate finish pads are suitable for all scuffing applications.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07903	Pre-Cut Rolls	Purple	115mm x 150mm	Very Fine	35	£20.19
07904		Grey		Ultra Fine		£20.19
07905		Copper		Extra Fine		£20.19

3M Scotch-Brite Multi-Flex Rolls

Available in three colour coded grades these highly flexible and conformable pads enable access to difficult to reach areas. Conveniently supplied on a perforated centre tear off roll, the sharp abrasives offer aggressive cutting without increased coarseness for faster, easier scuffing. Applications include scuffing of mouldings and lock cylinders as well as blending of base and clear finishes.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07521	Multi-Flex Roll	Purple	100mm x 200mm	Very Fine	60	£40.31
07522		Grey		Ultra Fine		£40.31
07906		Copper		Extra Fine		£40.31

3M Scotch-Brite Hand Pads

Scotch-Brite™ Hand Pads are the alternative to steel wool that will never rust. Impregnated with aluminium oxide abrasive for a fast cut, the durable, 3-dimensional nylon web resists tearing, shredding, and loading for a long life. Conveniently sized for use by hand, available in grades from ultrafine to coarse these pads are great for cleaning and preparation work including scuffing before applying paint or primer. Other applications include scuffing of awkward areas such as door shuts, removal of rust and spot repairs in clearcoat and paint systems.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07447	Hand Pad	Red	158mm x 224mm	Very Fine	10	£11.53
07448		Grey		Ultra Fine		£11.53
62147	Economy Hand Pads	Red		Very Fine		£6.21
62148		Grey		Ultra Fine		£6.21

3M Scotch-Brite Rolls

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07612	Rolls	Red	100mm x 10m	Very Fine	1	£39.18
07611		Grey		Ultra Fine		£39.18

3M Scotch-Brite Discs

Disc version for machine application

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07614	Discs	Red	150mm	Very Fine	10	£11.88
07613		Grey		Ultra Fine		£11.88

3M Scotch-Brite Scuff Sponges

Sponge Pad laminated with outer layer of Scotch-Brite Pad.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
07615	Scuff Sponges	Red	108mm x 128mm	Very Fine	6	£14.28
07616		Grey		Ultra Fine		£14.28

07527		Yellow		Medium		75mm	5
07529		White	Fine				£27.30

3M Roloc Bristle Disc Holders

Hard rubber back-up pad for use with Roloc Bristle Discs.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
45101	Disc Pad	25mm	with 6.4mm shaft	1	£6.46
05539		50mm			£9.47
05540		75mm			£12.40
85000	Back-up Pads	75mm Holder	M10	£12.40	
84998			M14	£12.40	

Scotch-Brite Clean & Strip Discs

Constructed from non woven nylon web impregnated with silicon carbide these disc provide maximum loading resistance whilst maintain cutting efficiency. Flexible for awkward areas and suitable for air and electric machines, a paintable metal surface can be achieved fast without clogging. Available for use on a mandrel, with a shaft, on Roloc + or fibre backed for use with an angle grinder, applications include rust, paint, sealer, coatings and primer removal as well as pre and post TIG spot weld cleaning.

Clean & Strip discs are suitable for air or electric machines (3,500 to 4,500 rev/min).

3M Clean & Strip XT Purple Discs Fibre

The Clean & Strip Purple Disc is the new generation of a long life and high edge resistance product. The tough construction gives the ultimate performance.

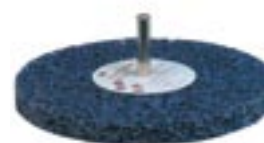

*The Purple Colour is a Trademark of 3M.

Part No.	Item	Colour	Size	Grade	Items/Unit	Trade price £
05816	Fibre Disc	Purple	115mm x 22mm	XT-DB	1	£8.09

Trizact Disc

These discs comprise of pyramid structures which contain multiple layers of fine grade abrasive mineral. As the abrasive wears, sharp mineral is continuously exposed resulting in a consistent smooth finish and exceptional life.

3M Trizact Fine Finishing Discs

Trizact Fine Finishing Discs are revolutionary structured abrasives for use in paint refinishing applications such as eliminating rogue scratches and removing dirt inclusions or orange peel after painting.

Part No.	Item	Size	Grade	Items/ Unit	Trade price £
50079	Fine Finishing Disc	32mm	P3000	100	£31.09
50415		76mm			£19.82
50414		150mm		15	£49.32

3M Trizact Blending Disc

Manufactured using the unique Trizact abrasive, an even wear, long life and consistent finish is guaranteed. Compatible with all 3M 150mm Back up pads these discs are designed for keying panels prior to the application of clearcoat or before blending.

Part No.	Item	Size	Grade	Items/ Unit	Trade price £
50341	Blending Disc	150mm	P1000	15	£49.32
50413		76mm			£19.82

3M Trizact Hand Pad

When using Trizact Blending Discs on panels and small awkward areas, combining with a Trizact hand pad ensures the best possible result is achieved. Available in both full, with a rear strap for a secure attachment, and half size.

Part No.	Item	Items/Unit	Trade price £
05791	Hand Pads	1	£4.56

3M Trizact Half Hand Pad

Part No.	Item	Items/Unit	Trade price £
05792	Half Hand Pad	1	£4.00

SMART Repair Products

Available in 50mm and 76mm sizes, these discs are designed to enable a fast and effective SMART repair minimising wastage. Constructed of a high performance aluminium oxide mineral that resists loading a consistent finish can be achieved. For use with a Rodac RCC993 75mm Sander (50096) or 3M Hookit Disc Hand Pad 01908, applications include small to medium area paint removal, filler flattening and primer sanding.

Masking Tapes

Scotch High Performance Masking Tape 3434

Designed for critical applications this high performance tape offers excellent solvent and water resistance, leaving behind no adhesive residue on removal. With superb heat resistance this tape will not lift despite repeated baking and with excellent conformability and edge definition it is the complete tape for the professional repairer.

Part No.	Item	Colour	Size	Trade price £
07895	Masking Tape	Blue	19mm x 50m	£50.48
07897			25mm x 50m	£50.48
07898			38mm x 50m	£50.48
07899			50mm x 50m	£50.48

Scotch Masking Tape 2328

Available in six widths, 2328 is a general purpose tape suitable for non critical applications. With good holding power, edge tear resistance and conformability it removes cleanly without adhesive transfer.

Part No.	Item	Colour	Size	Trade price £
50029	Masking Tape	Beige	18mm x 50m	£25.37
50030			21mm x 50m	£26.52
50031			24mm x 50m	£25.37
50032			36mm x 50m	£25.37
50033			48mm x 50m	£27.09
50034			72mm x 50m	£25.37

Scotch Masking Paper

Part No.	Item	Size	Items/Unit	Trade price £
06516	Masking Paper	305mm x 300m	1	£18.77
06517		457mm x 300m		£24.45
06518		915mm x 300m		£50.62
06519		1218mm x 300m		£72.95

Soft Edge Masking Foam Tape

An effective solution to time-consuming masking of vehicles prior to painting, this tape is used to mask vehicle apertures such as door, bonnet, and filler cap. As well as achieving the required 'soft edge,' this tape ensures that the interior of the vehicle is kept free of paint and dust.

3M Soft Edge Masking Foam Tape

Part No.	Item	Size	Items/Unit	Trade price £
09678	Soft Edge Masking Foam Tape	13mm x 5m	10	£40.62
09973		19mm x 5m	7	£40.62

Specialist Masking Films

3M Clear Masking Film

Specially treated on one side to ensure complete adhesion of paint to the film surrounding the repair area, this high density polyethylene sheeting is designed to protect from overspray. Clinging to the contours of the car by static, it allows for fast, one person application and clear visual identification of the repair area.

The mobile dispenser is designed to dispense both Clear and Premium Clear Masking Film. It can be used horizontally, vertically or wall mounted.

Part No.	Item	Size	Items/Unit	Trade price £
07838	Clear Masking Film	4m x 150m	1	£58.79
80110		5m x 120m		£58.79
07813	Cutter		25	£2.35
06780	Mobile Dispenser		1	£141.10

3M Premium Clear Masking Film

Premium Clear Masking Film utilises advanced technology that minimises the risk of imprint marking or “ghosting” when used to mask damp vehicles. Designed to protect against overspray damage, its specially treated surface ensures excellent adhesion of paint to the film around the repair area, eliminating the need for paper masking as well as the risk of paint flaking on removal.

Part No.	Item	Size	Items/Unit	Trade price £
80139	Premium Clear Masking Film	4m x 150m	1	£67.06
50366		5m x 120m		£67.06
50293	Premium Cutter		25	£3.36
06780	Mobile Dispenser		1	£141.10

3M Booth Coating

A water-based liquid with excellent solvent resistance this coating is specifically designed to protect paint booth interiors from paint and primer overspray maintaining optimum spraying conditions. The non tacky coating, that dries to a clear film can be applied with conventional spray equipment and easily removed with water or pressure washer.

Part No.	Item	Size	Items/Unit	Trade price £
06839	Booth Coating	1 US Gal 3.78 litres	1	£24.52

3M Overspray Masking Liquid

Overspray masking liquid is an alternative to plastic sheeting, protecting vehicle surfaces throughout the repair process from paint overspray, light scratches and even weld splatter. Applied by spray gun this liquid dries to touch trapping dust under the film, preventing contamination and eliminating rectification. After use simply wash away.

Part No.	Item	Size	Items/Unit	Trade price £
06847	Overspray Masking Liquid	1 US Gal 3.78 litres	1	£25.67
06851		5 US Gal 18.92 litres		£110.16
06856		15US Gal 56.78 litres		£312.11

Specialist Detail Masking Tape

3M Fine Line Masking Tape 471

A highly flexible fine detail tape with excellent adhesion to plastic and rubber mouldings this highly conformable PVC tape is specially adapted to masking narrow curves, rivets and other surface details. Uniquely constructed, vinyl backed tape gives outstanding paint line definition with no adhesion transfer.

Part No.	Item	Colour	Size	Configuration	Items/Unit	Trade price £
06404	Fine Line Masking Tape	Blue	3mm x 33m	471	1	£1.65
06405			6mm x 33m			£2.81
06408			12mm x 33m			£4.27
06409			19mm x 33m			£6.78

3M Fine Line Masking Tape 218

A specialised tape with high heat resistance, this tape is the ideal choice for fine two – tone, paint striping and straight line work where precision is a premium. With excellent curvability, the low tack adhesion virtually eliminates imprints, even on freshly painted surfaces.

Part No.	Item	Colour	Size	Configuration	Items/Unit	Trade price £
06520	Fine Line Masking Tape	Beige	3mm x 55m	218	1	£3.23
06521			6mm x 55m			£5.26
06522			12mm x 55m			£7.43
06523			19mm x 55m			£11.35

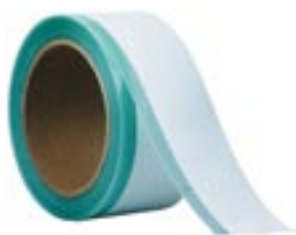

Scotch Fine Line Stripping Tape

Polypropylene film tape for multicolour striping, this specially-engineered tape is slit to provide 1/16 pull-out pieces for paint striping. Just 0.11mm thick edge build up is reduced to a minimum and low tack adhesive means that an imprint will not be left even if paint is not fully cured.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
06314	Fine Line Stripping Tape	25.4mm x 13.9m	8 x 1.6mm strips	1	£10.12

Windscreen Masking

3M Trim Masking Tape

Developed for masking the rubber trim on bonded screens and sealed windows these tapes protects from paint overspray and makes masking round contours and corners easy. This product can also be used to mask side mouldings, inset door handles, tail light assemblies, sidelights and headlight units.

Part No.	Item	Colour	Size	Configuration	Items/ Unit	Trade price £
06345	Trim Masking Tape	Grey	50.8mm x 10m	5mm strips	1	£19.35
06347		Green		7mm strips		£19.35
06349		Black		10mm strips		£19.35
06348		Yellow		15mm strips		£19.35
06342	Trim Masking Tape Starter Kit	Mixed				£56.43

3M Trim Lifting Cord

For use under rubber mouldings, this 6mm foam cord and clever applicator tool prevents hard paint edges forming. Quick to apply this cord ensures no overspray on the rubber, eliminating visible evidence of repair work.

Part No.	Item	Size	Items/ Unit	Trade price £
09529	Trim Lifting Cord	6mm x 40m	1	£34.27

3M™ PPS™ Paint Preparation System

A well established and trusted system for the mixing and preparation of refinish paint prior to spraying
 Disposable lids and liners create a unique closed system that eliminates the need for traditional mixing cups and paint strainers. The collapsing liner enables the gun to function at any angle and the lids, with built in filters available in 200 and 125 microns options, ensure fresh paint, free from contamination is dispensed onto the surface.

Standard Size

For the mixing, preparation and application of up to 650ml, the standard size PPS system is suitable for most repairs. Simplifying the paint mixing and preparation process, this system produces a cleaner job and increases operator efficiency.

3M PPS Lids and Liners

Each unit contains 50 lids and liners and 25 sealing caps to enable used paint to be stored.

Part No.	Item	Size	Items/Unit	Trade price £
16000	Lids and Liners	200 micron filter	50	£58.26
16026		125 micron filter		£58.26

3M PPS Extra Lid Kit

Extra lids may be required for re-use of paint after storage. Each unit contains 75 lids, 50 liners and 36 sealing caps

Part No.	Item	Size	Items/Unit	Trade price £
16758	Extra Lid Kit	125 micron filter	75	£77.87

3M PPS Mixing Cups and Collars

2 Mixing Cups and Collars per unit

Part No.	Item	Size	Items/Unit	Trade price £
16001	Mixing Cups and Collars	Standard	2	£8.00

Large Size

With all the features and benefits of the standard PPS Paint preparation system, this system is specifically designed for larger jobs up to 850ml.

3M PPS Lids and Liners

Each unit contains 25 lids and liners and 24 sealing caps

Part No.	Item	Size	Items/Unit	Trade price £
16024	Lids and Liners	200 micron filter	25	£32.04
16740		125 micron filter		£32.04

3M PPS Mixing Cups and Collars

1 Mixing Cup and Collar per unit

Part No.	Item	Size	Items/Unit	Trade price £
16023	Mixing Cups and Collars	Large	1	£4.39

Mini

Offering all the advantages and features of the standard PPS Paint Preparation System the mini system, spraying up to 170ml, is ideal for SMART repairs and accessing awkward areas.

3M Mini PPS Introduction Kit

Complete with 50 lids and liners, 2 mixing cups (with incorporated scale), 2 collars, 20 sealing caps and a lid and liner dispenser, this kit provides everything needed for small to medium area repairs.

Part No.	Item	Size	Items/Unit	Trade price £
16113	Introduction Kit	200 micron filter	1	£64.45
16750		125 micron filter		£64.45

3M Mini PPS Lids and Liners

Each unit contains 50 lids and liners and 20 sealing caps

Part No.	Item	Size	Items/Unit	Trade price £
16114	Lids and Liners	200 micron filter	50	£49.44
16752		125 micron filter		£49.44

3M Mini PPS Mixing Cups and Collars

2 Mixing Cups and Collars per unit

Part No.	Item	Size	Items/Unit	Trade price £
16115	Mixing Cups and Collars	Mini	2	£7.99

Refillable

The refillable system offers an efficient and economic solution for large quantity spraying such as fleet work and full car resprays.

3M rPPS Lids and Liners

Specially designed these lids and liners enable a quick and easy top up of refinishing materials within the PPS Paint Preparation System. The lids, with a built in opening for refilling, eliminate the need to remove the lid and liner from the gun, saving time and increasing efficiency.

Each unit contains 25 lids and liners

Part No.	Item	Size	Items/Unit	Trade price £
16743	Lids and Liners	200 micron filter	25	£48.26

3M rPPS Refillable filter

For finer filtering simply insert into refill opening and pour paint through.

Part No.	Item	Size	Items/Unit	Trade price £
16744	Drop In Filter	125 micron filter	25	£8.41

Accessories

3M PPS 6-Cup Carrier

A sturdy lightweight carrier, with optional wall mounting brackets, enables multiple materials to be taken into the booth at once.

Part No.	Item	Items/Unit	Trade price £
16010	6-Cup Carrier	1	£28.54

3M PPS Dispensers

These wall mountable dispensers, with easy access top for loading, keep lids and liners neat, clean and free from contamination. For standard, large and refillable PPS

Part No.	Item	Items/Unit	Trade price £
16019	Liner Dispenser	1	£34.52
16099	Lid Dispenser		£34.51

3M PPS Mixing Sticks

Available in both standard and mini, with specially sculpted edge these disposable sticks remove all paint from the liner wall to ensure an accurate colour mix is achieved.

Part No.	Item	Items/Unit	Trade price £
16022	Mixing Sticks	25	£3.21
16755	Mini Mixing Sticks		£3.21

3M PPS Spray Gun Holder

Made of lightweight aluminium this holder can be wall or bench mounted for safe and convenient spray gun storage

Part No.	Item	Items/Unit	Trade price £
16025	Spray Gun Holder	1	£17.95

3M PPS Wash Bottle

Designed specifically for dispensing solvent, these bottles enable simple and effective cleaning of spray guns.

Part No.	Item	Items/Unit	Trade price £
16012	Wash Bottle	5	£17.04

PPS Adapters

A full range of PPS adaptors for most spray guns, including suction-fed and mini is available from 3M. Conversion of the gun takes seconds and is a one-time requirement. Please contact your local representative

3M PPS Adaptor

Part No.	Item	Configuration	Items/Unit	Trade price £
16759	Adaptor	Quick Cup Connector	5	£9.47

3M™ PPS™ Colour Check Light

Creating a virtually perfect match to natural daylight, with two intensity light settings; Standard for mid-range colours and metallics, and High Intensity for darker colours, this fully portable light makes the colour matching and refinishing process faster and easier.

3M PPS Colour Check Light Kit

Contains Light, Battery, Charger, Power Supply, Cords and Instruction Manual

Part No.	Item	Items/Unit	Trade price £
16407	Kit	1	£399.71

3M PPS Colour Check Light Accessories & Spares

Part No.	Item	Items/Unit	Trade price £
16409	Battery Charger		£124.93
16398	Spare Battery (NiCd)	1	£72.63
16399	Spare Bulb		£43.58

Panel Preparation

3M Prep and Blend Liquid

Prep and Blend Liquid is a combination scuffing and cleaning liquid to prepare original or refinished paint surfaces for blending base coat or clear coat.

Recommended to be used with 3M Scotch-Brite Ultrafine (Grey), or Extra Fine (Copper) products.

- Fast
- Uniform matt finish
- Cleaning agent removes grease, waxes, resins, silicones, etc.

Part No.	Item	Size	Items/Unit	Trade price £
09308	Prep and Blend Liquid	500g	1	£9.63

3M Scuff-it Matt Gel

An advanced scuffing and cleaning gel which uses a unique combination of minerals and specialty treated abrasive micro crystals to abrade original or refinish paint surfaces in the final stage of preparation prior to paint spraying.

- Degreases, cleans and scuffs in a single process
- Water based formula
- Complete abrasion for optimum paint adhesion
- More aggressive than 09308

Part No.	Item	Size	Items/Unit	Trade price £
50018	Matt Gel	700g	1	£13.45

3M Professional Panel Wipes

- Excellent absorbency
- Super Strength when wet or dry

Part No.	Item	Size	Items/Unit	Trade price £
34567	Professional Panel Wipes	37cm x 29cm	400	£48.91

3M Tack Cloth

Cloths that use a 3-dimensional web structure to absorb dust particles prior to spraying. A wall mounted dispenser is available to store both new and partly used cloths

Part No.	Item	Items/Unit	Trade price £
07910	Tack Cloth	10	£7.37
07909	Tack Cloth Dispenser	1	£17.31

3M Tack Cloth Aqua

Non-woven cloth designed to remove any panel surface dust and contamination during the painting process, especially designed for use with water-based paints

- Solvent free, therefore ideal for water-based paint
- No adhesive residue
- Minimal linting
- Excellent dust pick-up

Part No.	Item	Size	Items/Unit	Trade price £
50401	Tack Cloth Aqua	43cm x 30cm	10	£5.27

3M Large Commercial Sponge

Part No.	Item	Items/Unit	Trade price £
C31	Large Commercial Sponge	1	£1.91

Abrasive Denib & Blemish Removal

The acclaimed Perfect-it III Paint Rectification and Polishing System provides the complete solution for removal of imperfections in vehicle topcoat refinish.

Defects and blemishes are removed rapidly without the need for reworking or repainting. The Perfect-it III System provides a rectification answer for every likely requirement - fresh or aged paints, small to large areas. See individual listings for detailed product descriptions.

3M Perfect-it III Microfine Abrasives

Improvements in paint technology and the demand for ever higher levels of finish quality achieved by the painter has led to superfine Wetordry abrasive papers such as Perfect-it Microfine abrasive.

Part No.	Item	Size	Grade	Configuration	Items/Unit	Trade price £
09546	Microfine Abrasive	138 x 230mm	P2000	401Q WOD	50	£26.21
09545			P1500			£26.21

3M 9 Micron Abrasive Discs 268L

For initial "spot" denib by hand. Scalloped shape film product to be used with Finesse-it Hand sanding block 50199 or 13441. Follow with Trizact A5 film for scratch refinement.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
00127	9 Micron Abrasive Discs	36mm	268L	100	£22.88
50199	9 Micron Abrasive Discs		Soft	1	£7.14
13441	Applicator		Hard		£9.04

3M Perfect-it III Microfinishing Disc 260L

Technically advanced abrasives for machine paint rectification applications. Use with a soft interface pad to add conformability.

Part No.	Item	Size	Grade	Configuration	Items/Unit	Trade price £
00909	Abrasive Disc	76mm	P1000	Plain	50	£18.74
00908			P1200			£18.74
00907			P1500			£18.74

3M Trizact Fine Finishing Discs

These discs comprise of pyramid structures which contain multiple layers of fine grade abrasive mineral. As the abrasive wears, sharp mineral is continuously exposed resulting in a consistent smooth finish and exceptional life.

Part No.	Item	Size	Grade	Items/Unit	Trade price £
50413	Fine Finishing Discs	75mm	P1000	15	£19.82
50415			P3000		£19.82
50341		150mm	P1000		£49.32
50414			P3000		£49.32

3M Trizact Accessories

Part No.	Item	Size	Items/Unit	Trade price £
05791	Hand Pad	150mm	20	£4.56
05792	Half Hand Pad			£4.00
50422	Spray Bottle			£3.55

Perfect-it III Colour Code System

The comprehensive range of 3M Perfect-it III products enables virtually all paint defect rectification work to be undertaken with ease and confidence.

- Colour code co-ordination to ease product selection
- For all paint including hard and scratch resistant
- Market leading compounds and polishes
- Optimum high gloss and hologram removal

3M Perfect-it III Fast Cut+ Compound

A fast acting liquid abrasive that removes sanding scratches from refinished or original paintwork and helps achieve a superior high gloss finish.

- Fast cut-rate performance
- Superior high gloss finish
- Quick and easy clean up
- Easy to see when job is completed

Part No.	Item	Colour	Size	Items/Unit	Trade price £
50417	Fast Cut+ Compound		1 kg	1	£21.53
50487	Compounding pad	Green	150mm	2	£18.19
50499			76mm	4	£14.89
60671	High Performance Cloth			1	£17.31

3M Perfect-it III Extra Fine Compound

A new fine finish compound designed specifically for modern scratch resistant clear coat paint systems. Also excellent as a single compound/polish product for standard 2 pack paint systems. Used in conjunction with two accessories - a wool buff giving high cut rate followed by a foam pad for excellent finish.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
80349	Extra Fine Compound		1litre	1	£24.61
50488	Polishing Pad	Yellow	150mm	2	£12.06
50536			76mm	4	£12.28

3M Perfect-it III Ultrafina SE Polish

Polish for Rotary Swirl Hologram Elimination

- Removes Swirls and Holograms
- Ultimate High Gloss Finish
- Designed for use on Rotary Polishers
- Increases productivity and efficiency
- Quick and Easy Clean up
- Minimal Sling
- For Refinish and Original paint systems

Part No.	Item	Colour	Size	Items/Unit	Trade price £
50383	Ultrafina SE Polish		1 litre	1	£29.97
50388	High Gloss Pad	Blue	150mm	2	£17.64
50457			76mm	4	£14.42
50400	Ultrafina Soft Polishing Cloth			1	£7.23

3M Polish Rosa

Fast final wax protection coating

- Easy to apply by hand or machine
- Perfect clean up for large or small areas
- Durable
- Does not stain automotive plastics or rubber
- Contains non-volatile silicones for high gloss and easy clean up

Part No.	Item	Colour	Size	Items/Unit	Trade price £
80345	Polish Rosa	Pink	1litre	1	£18.58

Perfect-it III

3M Perfect-it III Finishing Glaze

Produces a lustrous 'showroom' finish and deeper, longer gloss for ultimate protection. Easy and economical to use. Apply by hand or using the DA Glazing Pad 05729 to remove with High Performance Cloths 60668

- Low VOC
- Improved Easy Clean up
- Non-silicone content product

Part No.	Item	Size	Items/Unit	Trade price £
09377	Finishing Glaze	1 litre	1	£14.75
05729	DA Glazing Pad	170mm	2	£20.64

3M Perfect-it III Machine Polish

Particularly effective on dark colours, rapidly producing a 'just painted' finish while removing haze and compounding swirl marks. Apply using appropriate 3M polishing pads.

- High gloss finish
- Perfect for dark colours
- Removes compounding swirl marks

Part No.	Item	Size	Items/Unit	Trade price £
09376	Machine Polish	1 litre	1	£18.12
09378	High Gloss Polishing Pad	150mm	2	£12.06

3M Perfect-it III Fine Compound

A fast acting finer compound sharing the same 3M formulation chemistry as Perfect-it III Fast Cut Compound. Ideal for removing light oxidation, overspray, minor scratches and blend lines. Apply using the 3M Perfect-it III Compounding Pad 09550

- Removes fine scratches faster
- For HS, MS or OEM paints
- Minimal sling, high gloss finish

Part No.	Item	Size	Items/Unit	Trade price £
09375	Fine Compound	1 litre	1	£18.12

3M Perfect-it III Fast Cut Compound

A fast acting, coarse grade compound for rapid removal of fine sanding scratches. Effective in achieving a high gloss finish on both fresh and aged paint systems.

- Fast, effective action.
- Fine, high gloss finish.

Part No.	Item	Size	Items/Unit	Trade price £
09374	Fast Cut Compound	1 kg	1	£17.56

3M Trizact Compound

3M Perfect-It III Trizact Compound is specifically designed to complement the Trizact abrasive disc rectification processes. Trizact Compound effortlessly provides a premium finish with excellent clean up qualities.

- Fast, effective action.
- Fine, high gloss finish.

Part No.	Item	Size	Items/Unit	Trade price £
50077	Compound	1 litre	1	£19.33

Perfect-it Paint Finish Protection

3M Imperial Hand Glaze

This is ideal for filling compound scratches and swirl marks on 2-pack paint finishes. Imperial Hand Glaze contains no silicone/wax, and achieves a full, deep shine and high gloss on all colours - especially dark colours. Its easy application saves time, labour and money.

- Full deep shine
- Easy to wipe off

Part No.	Item	Size	Items/Unit	Trade price £
05990	Hand Glaze	1 litre	1	£11.19

3M Imperial Machine Glaze

Imperial Machine Glaze has similar characteristics to Imperial Hand Glaze but is specifically designed for machine application. Ideal for filling scratches and swirl marks on large areas.

- Silicone and wax free.
- Deep shine and high gloss.
- Allows larger areas to be worked.

Part No.	Item	Size	Items/Unit	Trade price £
05991	Machine glaze	1 litre	1	£11.19
09378	High Gloss Polishing Pad	150mm	2	£12.06

3M Perfect it-III High Performance Cloths

Advanced 3M materials technology achieves new standards of surface cleaning and polishing efficiency.

- Non scratching, low linting.
- Durable - Resistant to chemicals.
- Re-usable - Washable up to 95 degrees C.
- Three colours for job differentiation.
- High cleaning power with or without solvent.

Part No.	Item	Colour	Items/Unit	Trade price £
60668	High Performance Cloth	Mixed	3	£17.31
60669		Yellow		£17.31
60670		Blue	1	£17.31
60671		Green		£17.31

3M Perfect it-III Polishing Wipe

- Soft and supple
- Good absorbency
- Low linting
- Static-free wiping
- Ideal for 3M Perfect-it polishes

Part No.	Item	Size	Items/Unit	Trade price £
34568	Polishing Wipe	37 x 38cm	275	£43.66

05960	Acryl Putty	Green	200g	1	£13.33
05966		Red			£13.33

Disposable Dust Respirators

Filter protection factors for Dust Respirators
 FFP1 Up to 4 x WEL Particulates
 FFP2 Up to 10 x WEL Particulates
 FFP3 Up to 20 x WEL Particulates

Terminology
 FFP Filtering Face Piece
 WEL Workplace Exposure Limit

3M Cup Shaped Unvalved Respirator

Applications: Hand and machine sanding operations.
 Features: Lightweight, pre-formed design with nose foam and adjustable nose clip.
 Approvals: Meets EN149:2001. CE Marked

Part No.	Item	Type	Protection Factor	Items/Unit	Trade price £
06983	Cup Shaped Respirator	Unvalved	FFP1	15	£12.20
06988			FFP2		£26.04

3M Cup Shaped Valved Respirator

Applications: Hand and machine sanding and grinding operations, especially in hot or humid conditions.
 Protection: Provides effective protection from lung damaging fine dusts up to 10 x WEL.
 Features: Lightweight, collapse-resistant design with unique high efficiency exhalation valve, nose foam and adjustable nose clip which provides added comfort and heat reduction.
 Approvals: Meets EN149:2001. CE Marked

Part No.	Item	Type	Protection Factor	Items/Unit	Trade price £
06922	Cup Shaped Valved Respirator	Valved	FFP2	10	£20.04

3M Foldable Unvalved Respirator

Applications: Hand and machine sanding and grinding operations.
 Protection: Provides effective protection from lung damaging fine dusts.
 Features: Unique three panel design providing optimal soft and secure feel on face, excellent compatibility with eyewear, well balanced pressure of head straps, soft nose foam and adjustable nose clip.
 Approvals: Meets EN149:2001. CE Marked

Part No.	Item	Type	Protection Factor	Items/Unit	Trade price £
06910	Foldable Respirator	Unvalved	FFP1	20	£17.62

3M Foldable Valved Respirator

Applications: Hand and machine sanding and grinding operations especially in hot or humid conditions.
 This respirator has all the features and offers the same protection as the unvalved foldable respirator. The valved version has a one-way exhalation valve which provides added comfort and heat reduction for hot and humid work environments
 Approvals: Meets EN149:2001. CE Marked

Part No.	Item	Type	Protection Factor	Items/Unit	Trade price £
06923	Foldable Respirator	Valved	FFP2	10	£20.55
06933			FFP3		£44.73

Disposable Speciality Respirators

3M Premium Welding Fume Respirator

Applications: MIG, TIG and ARC welding (also galvanised zinc parts.)
 Protection: Provides effective protection from fine lung damaging dusts and welding/brazing fumes and ozone up to 10 x WEL.
 Features: Activated carbon layers to protect against ozone generated when welding. Collapse resistant design with flame retardant shell.
 Approvals: Meets EN149:2001. CE Marked

Part No.	Item	Type	Protection Factor	Items/Unit	Trade price £
06920	Premium Welding Fume Respirator	Valved	FFP2	5	£23.34

Supplied Air Systems

3M Visionair Supplied Air Visor System

Comfortable supplied air respirator providing a wide field of vision. An air flow indicator is mounted in the visor, and both visor and spray gun share the same air supply via a small, belt-mounted regulator with built-in-pre-filter. Sets new comfort standards for an HVLP spray gun compatible air-fed respirator.

- Acetate visor for paint spraying
- Wide field of vision
- Comfortable and lightweight
- Variable air regulator/filter
- Low air flow warning device
- CE marked

Kit Contains Visor headtop and breathing tube, waistbelt regulator assembly and spray gun hose. Excludes coupling and compressed Air Supply tube.

Part No.	Item	Items/Unit	Trade price £
57004	500HV Air Fed Paint Spray Respirator	1	£250.88

3M Visionair Supplied Air Visor System Parts

A range of 3M CAST's, Couplings, Connectors and Maintenance Parts are also available.

Part No.	Item	Items/Unit	Trade price £
57007	Acetate Visor	5	£88.02
57008	Peel Off visor	20	£16.79
57010	Filter Element	3	£50.87
3020090P	Waistbelt Regulator Assembly	1	£140.72

3M Supplied Air System

An innovative system for protection against respiratory hazards during paint spray applications. Compatible and approved for use with a range of 3M half and full face masks to suit your application. Dual-mode facility provides optional filter protection when air supply is disconnected.

- Very comfortable
 - Meets EN139
 - A low maintenance design
 - CE marked
 - Eye protection should be worn
- To order the complete kit use order part number 06971

Contains: Belt (06979) Regulator (06778) Breathing tube (06779) Overflow Valves (06791) Spray Gun Hose kit (06781)

Compatible with 6000 series full face mask and 7500 series half mask

Hearing Protection

The new Physical Agents (Noise) Directive 2003/10/EC came into force on 15th February 2006. The new requirements include:

- Lower Exposure Action Value 80dB(A) (LEAV)
- Hearing Protection to be made available on request at LEAV
- Upper Exposure Action value 85dB(A) (LEAV)
- Use of Hearing Protection to be strictly enforced
- Limit value 87 dB - must not be exceeded at the ear - this can be achieved by means of Hearing Protection.

Terminology:

SNR = Simplified Noise Rating. Figures given show the level by which the ambient noise level is reduced from a given source in decibels (dB).

3M Disposable Foam Ear Plugs 1100

Applications: Particularly convenient when safety glasses/goggles are also being worn. Protection: Against harmful noise, but especially where noise levels are a continuous problem. Features: These disposable ear plugs are made from a soft non-allergic foam, giving a comfortable and effective fit. The tapered shape is specifically designed to self-adjust to most ear canals, which provides greater worker convenience and comfort.

Approvals: Complies with European Standard EN 352-2:2002

SNR = 37 dB. CE Marked

Part No.	Item	Items/Unit	Trade price £
1100	Disposable Foam Ear Plugs	200	£24.77

3M Reusable Ear Plugs with Storage Case 1261

Applications: Particularly convenient when glasses/goggles are being worn.
 Protection: Against harmful noise, but especially where noise levels are a continuous problem.
 Features: 3-flange design helps to ensure good fit this improving wearer comfort and assured protection. Soft formulation for added comfort. New finger grip design improves ease of insertion making the plug more convenient. Storage case with belt clip helps keep plug convenient, clean and protected in-between use, saving time and reducing cost. Washable to allow for re-use.

Approvals: Complies with European Standard EN 352-2:1993
 SNR = 25 dB. CE Marked

Part No.	Item	Items/Unit	Trade price £
1261	Reusable Ear Plugs with Storage Case	50	£30.00

3M Banded Ear Plugs 1310

Applications: When frequently entering/exiting noisy areas, or intermittent noise is present.
 Protection: Against harmful noise, especially in hot/humid conditions.
 Features: Innovative flexible band concept, designed to provide optimum fit and greater comfort. Easy to put on, can be worn under the chin or behind the head for increased convenience. The plugs, which can be replaced with 3M part number 1311, are made from soft non-allergenic material. The band is designed to adjust to head and jaw movement.

Approvals: Complies with European Standard EN 352-2:1993
 SNR = 26 dB. CE Marked

Part No.	Item	Configuration	Items/Unit	Trade price £
1310	Banded Ear Plugs	10 pairs	10	£23.11
1311	Replacement Plugs	20 pairs	20	£16.39

3M Standard Ear Muffs 1435

- Two-point mounting system for better distribution of pressure and easy manipulation.
- Adjustable in 6 different positions.
- Extra-wide headband for a comfortable and secure fit.
- Unique injection moulded inserts prevent noise leakage.
- Weight: 218g.

Part No.	Item	Items/Unit	Trade price £
1435	Ear Muffs	1	£6.57

3M Premium Ear Muffs 1440

Applications: Where ease of fitting is important and a clean environment is a problem.
 Protection: Against harmful noise, especially suitable for intermittent noise exposure.
 Features: Patented adjustable tension system. Wide headband with ventilated padding. Extra-soft and wide sealing rings with a 'bulb' for increased sound insulation and perfect fit.

Approvals: Complies with European Standard EN 352-1:1993
 SNR = 27 dB. CE Marked

Part No.	Item	Items/Unit	Trade price £
1440	Premium Ear Muffs	1	£11.79

Eye Protection

3M supplies a comprehensive range of safety goggles and spectacles for use in all bodyshop situations. Offering excellent protection against flying particles, amongst other hazards (relevant to goggles), they feature durable, optical Class 1 lenses. Available in a variety of styles and shade of lens - clear, amber or smoked. Meets EN 166:2001 for specific field of use, and offer 99% UV protection. Stylish design and lightweight for maximum wearer comfort and acceptance.

Extruded Sealers

3M Polyurethane Sealer in Cartridge

A high-solids, non-shrinking adhesive sealer, which cures to a tough, permanently flexible material after 24 hours (depending on bead thickness and environmental conditions), when exposed to atmospheric moisture. Ideal for medium/wide seam sealing.

- Excellent adhesion.
- Paintable with commonly used paint systems.
- Non-shrinking, non-flow.
- Excellent weathering properties.
- Water, oil and petrol resistant.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08694	Polyurethane Sealer	Black	310ml	1	£10.40
08684		Grey			£10.40
08689		White			£10.40

3M Polyurethane Sealer in Sachet

General purpose polyurethane seam sealer in collapsible aluminium-foil sachets. Available in black, white or grey. They are applied using one of the specially designed Pneumatic or Manual Applicator Guns.

- Easy extrusion with no bubbles.
- Easy disposal of squashed sachet.
- Over-paintable in less than 30 mins.
- Lightweight, well-balanced guns.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08789	Polyurethane Sealer	Black	310ml	1	£9.15
08787		White			£9.15
08782		Grey			£9.15
08793		Black	600ml		£12.30
08788		White			£12.30
08783		Grey			£12.30

3M MS Caulkable Sealer

One part MS polymer based moisture curing general purpose seam sealer in cartridge. Designed to seal interior and exterior automotive body joints.

Needs to be painted over within 2 hours. Provides a permanent, hard and flexible seal. Restores original finish of door hemming flange, overlapped floor panels, etc. To be applied with 3M pneumatic gun 08012 or 3M manual gun 08013

- Can paint over immediately on water based paints
- Needs to be painted over within 2 hours.
- Highest final hardness.
- High solid content.
- Fast tack free time.
- Excellent brushability.
- No shrinkage.
- Isocyanate free.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08855	MS Caulkable Sealer	White	290ml	1	£9.31

3M Sprayable Sealer

3M Two Part Sprayable Sealer

A unique 2-pack polyurethane-based product packaged in an aluminium sachet, allowing reproduction of the original appearance of body joint seals. Pre-measured protection from the toxic emission of isocyanate. Avoids the necessity of gun cleaning, by a divided Unipack™ bag fitted with a disposable nozzle. Can also be used for restoring stonechip coatings.

- Simple, quick and clean.
- Rippled appearance achieved by changing angle of spray.
- No direct contact during mixing.
- Paintable in 30 minutes.
- Application of heat speeds curing.
- No shrinkage.
- No gun cleaning.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08801	Applicator			1	£40.96
08823	Two Part Sprayable Sealer	Grey	150ml		£9.38
08800			250ml		£11.77

3M MS Sprayable Seam Sealer

3M MS One Part Sprayable Sealer

One part MS moisture curing high solid sprayable sealer in a cartridge. Provides a permanent firm and flexible seal. Restores original spray finish in engine compartment, on all overlap joints, floor pans,

- May be painted over immediately.
- Cures to provide hard surface.
- Can also be extruded and brushed.
- Flexible as anti-chip coating.
- No shrinkage.
- Isocyanate free.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08851	One Part Sprayable Sealer	Grey	290ml	1	£14.42

Brushable Sealers

3M Super Seam Sealer

A brushable sealer which recreates original appearance on all overlap joints: eg inside boots, around wheel arches and shock absorber mountings, on bulkheads and floor pans around tailgates.

- Easily applied by brush.
- Dries to leave visible brush marks.
- Does not snag.
- Quick drying.
- Petrol, oil and water resistant.

Part No.	Item	Size	Items/Unit	Trade price £
08537	Sealer	1 kg	1	£23.98

3M Super Seam Application Brush

Part No.	Item	Items/Unit	Trade price £
08540	Application Brush	1	£1.78

Narrow Joint Sealer

3M Drip-Chek Body Sealer

For narrow vertical seams or cracks of 2mm - 3mm wide, to give a firm but flexible seal which will not harden, shrink or crack. Self levelling and self-seeking, but will not slump on vertical surfaces. Can be smoothed with a wet finger, and painted.

- Easy to apply.
- Quick drying.
- Remains flexible but firm.
- Petrol, oil and water resistant.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08531	Body Sealer	Grey	150ml	1	£6.96
08401		Clear			£11.71

3M Drip-Chek Seam Sealer Tape

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08476	Sealer tape	Green/ Grey	22.5mm x 9.1m	1	£31.05
08475			9.5mm x 9.1m		£16.30

3M Polyolefin Adhesion Promoter

Part No.	Item	Size	Items/Unit	Trade price £
05917	Adhesion Promoter	200ml	1	£7.52

Body Caulking

3M Body Caulking

A pre-formed thumbing compound, for sealing all large openings and cracks in the car. Easily smoothed and tooled.

- Good adhesion.
- Non-staining.
- Water resistant.
- Remains flexible.
- Can be overpainted immediately.

Part No.	Item	Size	Configuration	Items/Unit	Trade price £
08568	Body Caulking	6mm x 300mm	Round	60	£18.40

Manual Guns

3M Manual Gun for Cartridge and Sachet

Designed for hand application of sealer from 310ml cartridge or sachet where an air-line is not available.

Gun for cartridge and sachet

Part No.	Item	Items/Unit	Trade price £
08013	Manual Gun	1	£30.63

3M Manual Gun for Two Part Adhesive

50ml twin cartridge applicator gun for super fast plastic adhesive, two part structural adhesive and flexible parts repair material.

Part No.	Item	Items/Unit	Trade price £
08190	Manual Gun	1	£22.29

3M Manual Gun for 200ml Duopack Cartridge

Manual applicator for 200ml duopack cartridges

Part No.	Item	Items/Unit	Trade price £
08117	Manual Gun	1	£166.52

Pneumatic Guns

3M Pneumatic Guns for Sachets

Lightweight, well-balanced pneumatic gun, fitted with an air-flow regulator 'dump valve' which instantly exhausts the air when the trigger is released. Designed to extrude 310ml, 415ml and 600ml collapsible aluminium-foil sachets.

Part No.	Item	Size	Items/Unit	Trade price £
08006	Gun	310ml and 415ml	1	£84.89
08007		310ml and 600ml		£84.89

3M Pneumatic Guns for Cartridges

Lightweight pneumatic gun fitted with an air-flow regulator 'dump valve' which instantly exhausts the air when the trigger is released.

Part No.	Item	Items/Unit	Trade price £
08012	Gun	1	£92.72

3M Pneumatic Guns for 200ml Duopack Cartridge

Pneumatic gun for 200ml duopack cartridges

Part No.	Item	Size	Items/Unit	Trade price £
09930	Gun	200ml	1	£749.84

3M Pneumatic No-Clean-Up Gun

This cast-aluminium hand gun is designed to accept the disposable nozzle fitted to sprayable sealer sachets or 1kg can. When the sachet and nozzle are disposed of, the gun remains clean and ready for the next job.

Part No.	Item	Items/Unit	Trade price £
08801	Gun	1	£40.96

Pneumatic Guns for Anti-chip and Underbody Coating

3M Air-line Fed Gun

Air-line fed gun for applying 1 litre or 1kg Schutz and stonechip coatings.

Part No.	Item	Items/Unit	Trade price £
08996	Air-line Fed Gun	1	£31.43

3M Pressurised Air-line Fed Gun

Pressurised air-line fed gun for 1kg coatings, offering a very fine flat finish according to the pressure adjustment.

Part No.	Item	Items/Unit	Trade price £
08991	Gun	1	£156.80

Pneumatic Guns for Inner Cavity Waxes

3M Air-powered Applicator Gun

For use with 1 litre or 1kg cans of 3M Inner Cavity Wax coating. This special air-powered applicator gun allows deeper penetration of product in inaccessible areas.

Part No.	Item	Items/Unit	Trade price £
08012	Gun	1	£92.72
08997			£37.04
08998	Refill Gun		£156.80

Pneumatic Guns for Sprayable and Extrudable Sealer

3M Universal Gun

This new system allows the extrusion of all kinds of single-component sealants. By using the different nozzles supplied and easily adjusting the two regulators, it sprays the product in various finishes and creates ridges of various widths. Cartridges and sachets are used with the standard nozzles supplied with the products.

Part No.	Item	Items/Unit	Trade price £
08993	Universal Gun	1	£201.62

3M Lightweight Gun

Lightweight, easy to use pneumatic gun for one-part sprayable sealer in cartridge. By easily adjusting air and product regulator, it allows various spray and coating finishes from very fine to textured. Ready to use, it does not require additional nozzle.

Part No.	Item	Items/Unit	Trade price £
08992	Lightweight Gun	1	£127.80

Air Pressure Regulator

3M Valve

An air pressure regulator valve that can be fitted to any 3M pneumatic gun to allow pre-selection of air pressure as required.

Part No.	Item	Items/Unit	Trade price £
08804	Valve	1	£16.71

Double Sided Adhesive Tapes

3M Acrylic Plus Tape PT1100

Offering high adhesive strength these high density acrylic foam tapes with acrylic adhesive on both sides, are ideally suited to critical fixing applications such as body side mouldings, badges and bumper trims.

- High performance.
- Used by vehicle manufacturers.
- Suitable on OEM and refinish paint.
- Good conformability

Part No.	Item	Colour	Size	Items/Unit	Trade price £
80318	Acrylic Plus Tape	Black	6mm x 40m	2	£32.06
80319			9mm x 20m	1	£23.15
80320			12mm x 20m		£35.63
80322			19mm x 20m		£50.48
80323			25mm x 20m		£53.45

Contact Adhesives

3M Aerosol Adhesive

High performance neoprene contact adhesive with exceptional plasticiser resistance. The aerosol features high strength performance normally associated with bulk sprayable or brushable contact adhesives. Suitable for bonding rubbers, non-supported vinyls, metal, some plastics and flexible foams to themselves or to other substrates.

- Aerosol has controlled, lace-like spray pattern which minimises overspray.
- Quick drying - bonds can be made after 4 and up to 30 minutes.
- Clog-resistant nozzle.
- Useful where high heat resistance is required

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08090	Aerosol Adhesive	Amber	500ml	1	£15.04

General Purpose Adhesives

3M Cyanoacrylate Adhesive

Part No.	Item	Colour	Size	Items/Unit	Trade price £
B20	Cyanoacrylate Adhesive		20g	1	£16.74

3M Aerosol Adhesive

A specially designed, general purpose aerosol adhesive for bonding trim fabrics, headings, floor carpets and cloth-backed vinyls. Also for bonding upholstery foam to metal, wood and other surfaces.

- No wastage of dried up adhesive through lids being left off.
- Non-clog aerosol head will adjust to give wide or narrow lace spray pattern.
- Large areas covered quickly, compared to hand application e.g. headlinings.
- Fast drying.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08080	Aerosol Adhesive	Clear	500ml	1	£14.06

3M Clear Gel Brushable Adhesive

A clear non-flow adhesive designed for general purpose use inside cars. Giving excellent brushability without stringing, dripping or flow.

- Good initial strength.
- Repositionable.
- No stain.
- Excellent heat and plasticiser resistance.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08150	Brushable Adhesive	Clear	500ml	1	£13.78
08537	Super Seam Sealer		1 kg		£23.98
08540	Nylon Brush				£1.78

Panel Bonding Adhesives

3M Panel Bonding Adhesive

An innovative and cost-effective 2-part cartridge system for bonding replacement body panels. Seals and bonds steel, aluminium and SMC securely in a single operation. Reduces welding time, protects against corrosion and gives excellent adhesion to a variety of substrates. Recommended for application with 3M manual gun 08117 or 3M pneumatic gun 09930.

- Enables easy accessibility in awkward to reach areas
- Maintains integrity of substrate
- Cures on demand
- Bonds steel, aluminum, SMC
- Not for use on structural components

Part No.	Item	Size	Items/Unit	Trade price £
08115	Cartridge	200ml	1	£42.52
08193	Nozzle		6	£8.50

3M Two Component Epoxy

A two-component epoxy, 3M Structural Adhesive 08122 offers some 8 times the shear strength of its Polyurethane based rivals, for bonding of panels and doorskins. This product is packed in a 50ml twin cartridge. Apply using 3M 08190 manual applicator gun with 2-1 Plunger part no. 58000

- Fast drying.
- Consistent mixing ratio from twin cartridge.
- Efficient mixing nozzle gives controlled flow with no air bubbles.
- Resealable cartridge means minimal adhesive waste.
- Lightweight, maintenance-free Applicator Gun.

Part No.	Item	Size	Items/Unit	Trade price £
08122	Two Component Epoxy	50ml	1	£15.82
08197	Nozzle		6	£0.91

Plastic Repair

3M Automix Instant Plastic Repair Patch

A flexible PP sheet laminated on 3M VHB™ tape for maximum adhesion. A clean, fast and robust method of repairing cracked bumpers. Use with 06396 Adhesion Promotor to achieve maximum adhesion.

No cure time delay before proceeding to front side of repair.

Suitable for all kinds of plastic.

Part No.	Item	Size	Items/Unit	Trade price £
05888	Patch	101mm x 203mm	6	£69.41
06396	Adhesion Promoter	Sachet	25	£29.40

3M Polyolefin Adhesion Promoter

3M Polyolefin Adhesion Promoter is specially designed to be used in conjunction with 3M Adhesives for the repair of Polypropylene and Ethylene Propylene interior and exterior parts, usually designated by the initials PP, EP, TPO, or EPDM.

Part No.	Item	Size	Items/Unit	Trade price £
05917	Adhesion Promoter	200ml	1	£7.52

3M Flexible Parts Repair Material

3M Flexible Parts Repair Material is a two-part epoxy filler used to repair most of the plastic parts on today's vehicles. It is flexible and easy to sand. Available in two tubes (A & B), allowing for easy measuring and mixing.

- Easy to use.
- Excellent feather edging.
- Excellent sag resistance.

3M Flexible Parts Repair Material is also available in a duopack cartridge. For easy and safe application with 3M manual gun 08190. Each box includes four duopack cartridges and eight mixing nozzles.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
05900	Flexible Parts Repair Material	Grey	150ml	1	£33.05
05901			2 x 25ml	4	£14.65
08198	Nozzle			5	£10.96

3M Automix Superfast Plastic Adhesive

2K PU fast adhesive, with around a 20 second cure time, allows fast repair on damaged parts and also allows rebuilding of missing plastic, such as headlight, bumper and trim attachment tabs.

Workable with drill or sander and overpaintable within minutes. Suitable on all kinds of plastic. Use with manual applicator 08190 and 04908 nozzles.

Part No.	Item	Size	Items/Unit	Trade price £
55045	Superfast Plastic Adhesive	50ml	1	£25.03
55047	Structural Plastic Adhesive	200ml		£41.62
04903	Contour Sheet	127mm x 3.6m	1	£1.64
04908	Adhesive Nozzle		50	£29.43

3M Crack Seal Tape

Part No.	Item	Colour	Size	Items/Unit	Trade price £
03020	Crack Seal Tape	White	50mm x 25mm	1	£5.06

Transfer Adhesives

3M Adhesive Transfer Tape 969

This is a unique application system for 'adhesive on a roll'. It uses Adhesive Transfer Tape, rolled specially so that a gun can lay a controlled strip of pressure sensitive, instant grade adhesive, exactly where it is required.

- Instant, aggressive grip even on difficult to stick surfaces.
- Suitable for most materials, including highly textured surfaces.
- Good humidity resistance.

Part No.	Item	Size	Items/Unit	Trade price £
06493	Adhesive Transfer Tape	12mm x 16.5m	12	£6.07
06494		19mm x 16.5m		£8.04

3M Refix Tape 950

The same as Adhesive Transfer tape but wound so that the roll can be used by hand.

- Sticks instantly, will not lift.
- No mess or waste

Part No.	Item	Size	Items/Unit	Trade price £
06506	Refix Tape	12mm x 10m	4	£24.15

Surface Cleaning

3M Adhesive Cleaner

Part No.	Item	Size	Trade price £
08984	Adhesive cleaner	1 lt	£14.08

Bonded Windscreens

3M Primer

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08614	Primer	Black	30ml	1	£8.02
08617	Primer/Degreaser	Transparent			£8.02

3M PU Windscreen Adhesive

A one part moisture curing PU adhesive for windscreen and rear window bonding. Available in cartridge and sachet.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08603	Adhesive Cartridge	Black	310ml	1	£18.10
08616	Adhesive Sachet		415ml		£19.31

3M Glass Cleaner

Part No.	Item	Size	Items/Unit	Trade price £
08631	Glass Cleaner	500ml	1	£7.48

Direct Glaze

3M Direct Glaze Adhesive Strip

High tack, non-curing strip of sealer for installing direct glaze (gasketless) windscreens.

- Instant bond.
- Excellent adhesion.
- Weatherproof.
- Controlled compressibility allows easy installation.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08610	Direct Glaze Adhesive Strip	Black	6mm x 4.5m	12	£14.58
08611			8mm x 4.5m		£19.46
08612			10mm x 4.5m		£23.35

Rubber Gasket

3M Windscreen Sealer

Non-hardening non shrinking sealer for the installation of rubber gasket windscreens

- Excellent water and weather resistance.
- Remains flexible permanently.
- Can be applied in wet weather.
- Easy clean-up with dry rag.
- Non-damaging plastic nozzle.

N.B. Apply using either 3M applicator gun 08013 (manual) or 08012 (pneumatic)

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08509	Windscreen Sealer	Black	310ml	1	£7.11

Anti-Chip

Anti-Chip Coatings are used to protect vulnerable, painted parts of the vehicle such as sills, wings, wheel arches and valances.

Most body corrosion results from stone chips to susceptible exposed paintwork. Stone chips can penetrate the paint and underlying protective coatings to allow corrosion to eat into the substrate from the surface. 3M supplies rubberised anti-chip coatings with a wide range of finishes. All are overpaintable, flexible, fast drying and weather, stone chip and corrosion resistant.

3M Body Gard Textured Coating

This rubber based coating was developed to enable most manufacturers' stone chip finishes to be reproduced in the bodyshop. Black, white and grey coatings are available for application to any part of the car requiring stone chip protection. Medium to heavy textures can be obtained depending on the application method used.

- Excellent stone-chip resistance.
- High solids.
- Paintable.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08868	Textured Coating	Black	1 kg	1	£10.54
08878		White			£10.54
08879		Grey			£10.54

3M Body Gard Flat Coating

The Spray Schutz Coating features are also found in the Body Gard Aerosol, but this has the benefit of reproducing the flat finish that is so popular.

- Excellent stone-chip resistance.
- Quick drying.
- Paintable.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08159	Flat Coating Aerosol	Grey	500ml	1	£9.57
08158		Black			£9.57

3M Body Gard Smooth Coating

Flat finish coating which resists weathering and protects against damage from stones and gravel.

- Excellent finish.
- Fast drying.
- Paintable.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08886	Smooth Coating	Grey	1 kg	1	£11.29

Inner Cavity Wax

3M Inner Cavity Wax - Amber

Designed to give a protective coating to the inside of vehicle body panels. The product will seep, by capillary action, into gaps and along welded joints to give long lasting rust proofing.

- Remains flexible when dry.
- Water repellent - can be applied to damp surfaces.
- Excellent rust proofing against road salt.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08901	Inner Cavity Wax	Amber	500ml	1	£7.48
08911			1 litre		£8.87
08921			10 litres		£66.59

3M Inner Cavity Wax - Transparent

Inner cavity protection for the small repair or difficult to reach areas is made quicker and easier with this aerosol.

- Easy to use.
- Quick.
- Convenient.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08909	Inner Cavity Wax	Transparent	500ml	1	£7.48
08919			1litre		£8.87
08929			10 litres		£66.59

Underbody Protection

3M Body Schutz Coating

A thick, asphalt-based product ideal for vehicle underbody coating to give both rust proofing and sound-deadening properties.

- Flexible when dry.
- Excellent one-coat coverage.
- Touch dry in 1 hour.
- Does not sag.
- Not overpaintable.
- Various textures can be achieved by altering spray technique.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08861	Coating	Black	1 litre	1	£3.43

3M Spray Schutz Coating

Fast drying, rubberised protective coating, which dries to a textured finish, suitable for quick repairs to wheel arches and underbody.

- Rubberised for extra toughness and flexibility.
- Fast drying.
- Non-clog valve for even spray pattern.
- Weather resistant.

Part No.	Item	Colour	Size	Items/Unit	Trade price £
08877	Aerosol	Black	500ml	1	£7.86

Weld Coatings

3M Weld Thru II Spray

A zinc-rich weldable primer providing superior sprayability, corrosion protection and weldability.

Its advanced formula minimises weld splatter, reducing the risk of operator injury or damage to surrounding items.

Can be used for Mig and Spot Welds

Part No.	Item	Colour	Size	Items/Unit	Trade price £
50410	Coating	Grey	377ml	1	£11.12

3M Zinc Spray

For spot welds only

Part No.	Item	Colour	Size	Items/Unit	Trade price £
09113	Zinc Spray	Grey	500ml	1	£20.02

Sound Deadening

3M Sound Deadening Pads

Easily shaped to offer noise suppression on many parts of the vehicle, such as doors, wings and boots/floor plans.

- Self Adhesive.
- Easy to apply.
- Paintable.

Part No.	Item	Size	Items/Unit	Trade price £
08840	Sound Deadening Pads	500mm x 500mm	1	£7.50

3M Abrasion Resistant Film

Part No.	Item	Size	Items/Unit	Trade price £
08219	Abrasion Resistant Film	19mm x 11m	6	£15.39
08210		100mm x 2.5m		£17.99

1. Application

- 1.1 These conditions apply to all contracts between the Seller and the Buyer referred to in the order and override all conditions stipulated by the Buyer (even if submitted in a later document); any other agreements between the parties relating to the subject matter of this order are terminated (except an agreement into which these conditions are incorporated).
- 1.2 No variation of these conditions is permitted unless agreed in writing by a director of the Seller.

2. Price

- 2.1 The price to be paid for the goods or the services will be the Seller's price at the date when the goods are despatched or the services are provided.
- 2.2 The price of goods includes the cost of Seller's standard packaging and delivery within the UK and Ireland by Seller's normal transportation; the price does not include VAT.

3. Payment

- 3.1 Payment for the goods or services must be made within thirty days of the date of the invoice, unless otherwise specified on the invoice.
- 3.2 The Seller reserves the right to charge interest on overdue sums at the rate of 4% per annum above the Base Rate for the time being of Lloyds Bank plc calculated on a daily basis from the due date of payment in Clause 3.1 until the date upon which payment is made.
- 3.3 The Seller may at any time require the Buyer to make payment in advance of delivery or require security for payment.
- 3.4 If the Buyer fails to make payment by the due date or when required, the Seller may (without prejudice to any other remedy which it may have) cancel this contract and/or any other contract between the Buyer and the Seller and/or suspend delivery under this or any other contract until payment is made.
- 3.5 The Buyer will have no statutory or other right of set off.

4. Delivery

- 4.1 Delivery dates are approximate only and the Seller shall not be responsible for any loss or damage arising from any delay in delivering all or part of any goods ordered or delay in the provision of any services.
- 4.2 Without prejudice to Clause 4.1, the Seller will not be liable for any delay in delivery or nondelivery of goods or services or any other breach of these conditions caused by any circumstances beyond the Seller's control including without limitation, any Act of God, explosion, fire, flood, war, hostilities, accident, delay in delivery or nondelivery by the Seller's suppliers, breakdowns or accidents to machinery, labour strike or dispute, order or decree of any court or action of any governmental authority, or any other causes or any circumstances beyond the Seller's control; on the occurrence of any of the above events the Seller reserves the right to cancel or suspend the whole or part of any delivery.
- 4.3 In the case of any order for goods of a type or description not normally held in stock by the Seller, and therefore specially made ordered or imported by the Seller to meet such order, the Buyer will accept goods 10% more or 10% less than ordered, the total price of the order being correspondingly adjusted.

5. Risk and Property

- 5.1 Goods supplied to the Buyer will remain the property of the Seller until full payment in cash or cleared funds has been received by the Seller for those goods and for all other goods delivered or services supplied by the Seller to the Buyer in respect of which payment is outstanding.
- 5.2 Until title to the goods passes to the Buyer:
 - 5.2:1 The Buyer will hold those goods as the Seller's bailee.
 - 5.2:2 The Buyer will protect, store and identify the goods by reasonable means so that they can be recognised as the property of the Seller.
 - 5.2:3 The Buyer may use the goods or sell them in the ordinary course of its business.
 - 5.2:4 If the Buyer is in breach of any of its obligations to the Seller, or the order or the contract for the supply of goods is cancelled or capable of being cancelled under Clause 8 below, and provided the goods are still in existence and have not been resold, the Seller may (a) by notice to the Buyer require redelivery to it of the goods; and/or (b) with or without previous notice, retake possession of the goods and sell the goods. For the purpose of this clause the Buyer irrevocably authorises the Seller's representatives to enter the premises on which the goods are situated and remove the goods at the Buyer's expense.
- 5.3 Risk in all goods supplied to the Buyer will pass to the Buyer on delivery.

6. Inspection

- 6.1 If the goods or any of them are damaged or lost while in the custody of a carrier, the Seller will (at its option) either replace such goods or refund to the Buyer the cost or price of them, but the Seller's liability in connection with any such goods will not exceed the cost of replacement of them or the price paid by the Buyer for them.
- 6.2 The Seller will not be under any liability under 6.1 above unless the following conditions are strictly complied with:
 - 6.2:1 In the event of nondelivery of a whole consignment of goods the Buyer must inform the Seller in writing within ten days of the date of the invoice.
 - 6.2:2 In the case of damage to goods or loss of part of a consignment, the consignment must be inspected in the presence of the carrier. If any goods are damaged or lost the consignment note must be endorsed accordingly and the Buyer must notify the Seller within fortyeight hours of delivery, such notification to be confirmed in writing within the following five days.

7. Liabilities and Warranties

- 7.1 Nothing in this clause will be deemed to exclude or restrict the Seller's liability for death or personal injury resulting from the Seller's negligence.
- 7.2 If any goods supplied or processed or any services supplied or provided by or on behalf of the Seller prove on inspection to be defective in material or workmanship, the Seller will (at its option) replace the same or refund to the Buyer the price of the goods or services.
- 7.3 The Buyer will determine the suitability of the goods for its intended use and will not rely upon any representations made by or on behalf of the Seller.
- 7.4 The Seller's liability under these conditions shall never exceed the cost of replacement or the price paid by the Buyer for the goods or services.
- 7.5 The Seller will not be liable for any consequential or indirect loss or damage (whether for loss of profit or otherwise) costs, expenses or other claims for consequential compensation whatsoever suffered by the Buyer whether this loss or damage arises from a breach of duty, in contract or in tort or in any other way (including loss or damage arising from the Seller's negligence).
- 7.6 Except as set out in these conditions, all warranties and conditions, whether express or implied, statutory or otherwise are excluded to the fullest extent permissible at law.

8. Termination

If there is appointed a Receiver, Administrator or Administrative Receiver of the Buyer's property or assets or any part of them, or a court order is made or a resolution is passed for the windingup of the Buyer (except for the purpose of amalgamation or reconstruction) or if the Buyer commits any act of bankruptcy, or any bankruptcy petition is presented against the Buyer (or any analogous proceedings under the law of any country outside the United Kingdom are commenced), the Seller may by notice in writing to the Buyer cancel all orders and contracts between the Seller and the Buyer or any part of them remaining unfulfilled.

9. Jurisdiction

- 9.1 All contracts between the Seller and the Buyer where the goods are shipped to or services are provided in the Republic of Ireland shall be governed and construed in accordance with the Laws of the Republic of Ireland, and the Buyer agrees to submit to the jurisdiction of the Courts of law in the Republic of Ireland in respect of them.
- 9.2 Except as provided above, all contracts between the Seller and the Buyer shall be governed and construed in accordance with the Laws of England, and the Buyer agrees to submit to the jurisdiction of the Courts of law in England in respect of them.

Effective 1/7/1996
